

Parent Volunteers Needed

CTC has a great reputation in the Mira Mesa Community and you the parents are a big part of that. We appreciate all the hard work our parent volunteers put into making CTC the best it can be.

The new school year has begun and we need your continued support in fulfilling several volunteer positions. We understand that our daily lives are busy that is why we make it as easy as we can to have varied activities so every parent can help out.

Below is a list of volunteer jobs, please check which areas you would like to help with. Thank you in advance for your dedication to Christ the Cornerstone Academy!

Please return the bottom portion to the classroom or the school office.

Childs Name _____ Grade _____

Parent's Name _____ Phone # _____
